

Sovereignty Certification and Estate Management System

The living man/woman is an ordained sovereign by birthright, but must become a Certified Sovereign Individual, since they are constantly interfacing with a contracts law society and commercial system.

Certified
Sovereign
Individual

The cLPT is the Trust of all trusts, and holds the sovereign's entire commercial estate via the eJET. The cLPT is a private trust, and is universally domiciled. It's recordation and validity is with First Republic Registrar foundation (FRRf) and the Sovereign International Court of Justice (SICJ).

common Law Pure Trust (cLPT)

(including: Pure Trust certificate (PTc))

The eJET is a Special Purpose Vehicle that holds the sovereign's entire commercial estate. The eJET can be recorded and/or registered within any local jurisdiction, thus giving it a legal face. The Special Deed of Trust also points out that the eJET is a holding of the cLPT.

**exclusive Equity Jurisdiction
Express Trust (eJET)**

(including: Special Deed of Trust)

Note: The Uniform Commercial code (UCC) is the interfacing law between the cLPT and the eJET.

**The Sovereign's Estate Includes State
provided Beneficial Interests and Property
Privileges such as:**

Note:
Birth Registration is best evidence of a title ownership claim, where a foreign situs and a cestui que trust/estate is created for the benefit and privilege use of the assumed lost beneficiary. The eJET, cLPT and Sovereignty Certification demonstrates the return of the beneficiary, who now has the superior title ownership claim.
