Preamble;

At FRRf we are adhering to the principle of international comity owed to States under customary international law, and will always be applied. Ancestral and original FRRf^{©™} issuer and registrar of good Allodial Title for the Corpus (physical body) under the law of the land, including but NOT limited to its branches: FRRf^{©™} as Sovereign Intergovernmental Organization and the Eagle-Eye Ministries^{©™}. We embrace applicable international law whilst working towards official and international promulgation with respect to all States and their communities that currently compose the coexistence of the peoples found on this Earth, as well as other Intergovernmental Organizations and Supreme National Unions.

Therefore, through the following points, we are proud to present our journey, current position and evolution since 2013:

- FRRf's Background;
- FRRf's Sovereign IGO Status;
- FRRf's Eagle-Eye Ministries;
- Official Branch of FRRf^{©™} - Ministerio de Derecho Natural Emporion foundation^{©™}
- Official Diplomatic communication channels.
- Schedule:
 - o Institutional letter for official meeting is attached in this communication. Schedule, document 1.
 - o Letter of Credentials is attached in this communication. Schedule, document 2.
 - o Institutional Certificate of official issued by First Republic Registrar foundation. Schedule, document 3.

FRRf' s background:

The common Law Pure Trust ("cLPT") originated just after the middle-ages in the 12th century with King Henry II Plantagenet. Before this time, The Catholic Church had control of most land and assets. Once Henry finagled some away, he established the cLPT with his new partner Lord Bauer, the progenitor of the present-day Bauer-Rothschild family, the richest of the twelve (+1) polity or rich bank trading families. The cLPT provisions; the common Law Principia ("cLP") (the written rules of the trust) have had one hundred and four (104) revisions. The last three have been revised by a former Bauer-Rothschild attorney, Baron von Brauchitsch Bauer-Rothschild a.k.a. Sri Dr. Grantham Taylor Hughes, The Bauer foundation, copyright from 1140. The Rev. CIV is the one available with FRRf.

King Henry and Lord Bauer made the first **fidelity ceremony** as explained in Art. I of Rev. CIV provisions in circa 12th century providing the cLPT creation and execution. The concept of the cLPT has been intact since that time.

FRRf[©]™ was conceived within this context and was established on the 12th December 2013 as an International Common Law Issuer of good allodial title and Registrar with its own Private Records Archive under Customary International Law of land and soil jurisdiction. This was created as of the Rev. CIV done by Bauer-Rothschild attorney, Baron von Brauchitsch Bauer-Rothschild, The Bauer foundation, copyright from 1140.

In general, a Sovereign Underwriter and under the common Law Principia (cLP) is any Exchangor/Grantor of an enacted Pure Trust foundation (PTf) such as FRRf[©]™ and is also holder of the annexed Pure Trust certificate (PTc), along with the Pure Trust provisions (PTp). The official seal is:

Whereas, the Certified Sovereign Underwriter of FRRf^{©™} is one who has been contractually-authorized as being qualified by natural process to issue, including but not limited to, Sovereignty Certificates, Allodial Titles, common Law Pure Trusts and so on.

The Underwriter has the capacity to act as an Independent Proto-Notary in order to certify all documents being issued and recorded under the law of the land into the International Private Archives of First Republic Registrar foundation^{©™}. The official seal is:

The main objective of FRRf^{©™} is to provide an international platform for all good governments, organizations and peoples to file and record good title to their corpus (natural body), landed property, and to private conveyances. This is known as Allodial Title. Our allodial titles are issued and recorded under the law of the land, and simultaneously governed and protected, as all contracts are, by the Uniform Commercial code (UCc).

As a result of the 1930 Geneva Convention, when the international community declared bankruptcy, post this period, the UCc has been the ruling international law.

Under UCc 1 bankruptcy articles, bankrupted entities (entire et al international community and its chattels, i.e., governments, banks, businesses, non-sovereigns, etc.) have no authority to operate and/or act against an ordained and/or certified sovereign. Hence, individuals who are certified sovereigns and also in possession of allodial titles to landed property and private automobiles (conveyances), are to be recognized as having the wielding power of UCc under FRRf.

Of great importance the articles of FRRf^{©™}, a common Law Pure Trust (cLPT), are recognized by the Sovereign International Court of Justice - Sovereign International Criminal Court.

As Officials of the Sovereign ICJ/ICC our Certified Sovereign Underwriter(s) also serve the capacity as Notaries Public. All documentation that bears any official stamps and seals by the Notary of Sovereign ICJ/ICC is accepted by all jurisdictions around the world as authenticated. The Notary's main function is to bear witness to the signatories of contracts, trusts, treaties, agreements and other official documents.

After consensus voting a Notary of the SICJ/SICC can be appointed, by contract, evidenced by a Memorandum of Agreement (MoA) with two Senior Judges of the SICJ/SICC along with two high-standing witnesses. Thus, there are five signatures on the MoA.

The following seals were assigned to FRRf©™ in 2017 when it was first appointed by the Sovereign ICJ/ICC, as their official registrar.

Ancestral and Original FRRf©™ in its capacity as Issuer and Registrar also acts as a foreign office to The Talismanic Kingdom of Atmaurium under the Moorish Empire and offers support to the International Community of Sovereign Kingdoms, Nations and States.

The Kingdom of Atmaurium is referenced into Customs and Border Protection Reg no: COP 06-00039 as Sovereign (Royal) assent of Atmaurium: Geodetic survey and family. THE MAGNIFICENT PRINCE: Khabir Uriel-Bey, 1965.

Sovereign IGO Status:

As a Sovereign IGO, FRRf^{©™} now embarks on its journey toward uniting and conglomerating several other Sovereign Groups, by developing two treaties. The first Treaty, in humanity history, is aimed at living men and women as Certified Sovereigns, whereas the second Treaty is aimed at Sovereign States/Nations/Kingdoms, Intergovernmental Organizations and Supreme National Unions, these being:

- TREATY ONE: **First Republic Sovereign Treaty** (FRST) – aimed at living men and women as Certified Sovereigns.
- TREATY TWO: **First Republic Institution International Treaty** (FRIIT) – committed to supporting and empowering indigenous communities worldwide.

FRRf^{©™} as a Sovereign IGO and its International Treaties, along with our partners, adopts the slogan of "working with and not against." We believe in fostering an environment of collaboration, mutual respect, and understanding. By working together with various Nations, Solidarities and other Organizations, we aim to assist the design and building of a golden-age world-wide community complete with all the amenities and necessities required for a fully functioning independent network. Our vision includes the development of infrastructure for homes, farms, industrial factories, hotels, health resorts, schools, hospitals, tourism, education, trade, and banking... in line with the Montevideo Convention (Treaty of December 26, 1933, Uruguay) guidelines on the 'Rights and Duties of States'.

Customary International Law applies to FRRf^{©™} as a Sovereign IGO. The IGO is dedicated to empowering indigenous communities through our services – by way of our Foreign Office Department. By working together with partners who share our values, we can establish a world-wide community that benefits from our collective strength and wisdom. Let us embrace one and other and create a brighter future for indigenous peoples across the earth.

As of 20th of February 2024 FRRf©™ as a Sovereign IGO signed with the Talismanic Kingdom of Atmaurium, in order to collaborate and develop several international projects to the International Indigenous People Community. Therefore, FRRf©™ is now officially seated within the House of Atmaurium, of the Talismanic Kingdom of Atmaurium.

As of 28th May 2024 FRRf as a Sovereign IGO signed with Sovereign International Court of Justice and Sovereign International Criminal Court our First Republic Institutional International Treaty in order to recognize FRRf©™ as Sovereign IGO and develop several international projects to the International Indigenous People Community.

Safeguarding the integrity of the Ancestral and Original First Republic Registrar foundation[™] as Issuer and Registrar, FRRf[™] as Sovereign IGO, its intellectual property, sovereign individual members, partner nations, organizations and related operations is of utmost priority.

To support this endeavor, it has been agreed by the Board of Trustees to form and develop a number of active departments with discrete responsibilities around social justice, security and upholding ethical practice in all dealings. The two initial departments (however, very early in inception) are as follows:

Institutional International Observer Department:

Main purpose: As custodians of sovereignty, we shall assume the needed position as the Eagle-Eye watch for unfair practice in world affairs and be vigilant for breaches or changes in regulations and law that may impact our Sovereign territories and operations.

We aim to ensure that we are positioned to take advantage of any unannounced changes and to mitigate any adverse impact by collaborating with international agencies and organization in harmony with the best way for peace and security for all nations and its peoples. We will use global insights to inform on local activity to help protect and serve our community of sovereign nations.

Private International Advocate Department:

Main purpose: We work together with other agencies and organizations to resolve disputes on behalf of First Republic Registrar International Indigenous Peoples Community members when approached at an individual level, operating within the framework of Common Law.

Through our team of practiced, qualified professionals, we assist individuals by ensuring fair representation and by applying accurate and current lawful practice. We recognize that there will be unique challenges and needs of individuals that demand a more personal level of service for which the department is set up to meet.
